Yoneke Graham

Las Vegas, NV | +1 (732) 277-0069 | yonekegraham1@gmail.com | linkedin.com/in/yonekegraham | yonekeg.github.io

PROFESSIONAL SUMMARY

Analyst with experience in commercial real estate research, market analysis, and client-facing reporting. Skilled at profiling companies and comparing regions, most recently in an independent study of aerospace and defense opportunities in North Las Vegas.

EDUCATION

University of Nevada, Las Vegas *Aug 2025 – May 2027*
Master of Science in Data Analytics | *GPA: 3.95*

University of Nevada, Las Vegas *Aug 2020 – May 2025*
Bachelor of Science in Biological Sciences | *GPA: 3.70*

Honors: UNLV Excellence Scholarship; Governor Guinn Millennium Scholarship

WORK EXPERIENCE

Avison Young – Las Vegas, NV (Remote) *Nov 2025 – Dec 2026*
AI / Data Analytics Intern, Commercial Real Estate

- Researched commercial real estate markets using leasing and market data to spot trends and new business opportunities for brokers.
- Wrote internal reports and briefs that helped brokers decide which prospects to pursue first.
- Created Word report templates, analyzed Excel workbooks on industrial relocations, and built a PowerPoint presentation summarizing the findings.

Average Viewer (formerly Awksion), Tulsa Community College SKILLS LAB (Remote) *Apr 2026 – Jun 2026*
Data Analyst (Contract), Market Research

- Researched 1,000+ artists and live music venues across Toronto, Boston, and Ohio to find the best customers for a startup.
- Narrowed the list to 200 high-value leads and built a simple dashboard that ranked them for outreach.
- Presented findings to the company owner in weekly meetings, shaping which markets the company pursued first.

RESEARCH & PROJECTS

North Las Vegas Aerospace and Defense Market Study (Independent Project) *Nov 2026*

- Profiled the area's federal anchors (Nellis AFB, Creech AFB, and the Nevada National Security Site), local A&D firms, and state incentives.
- Compared North Las Vegas with leading A&D cities such as Wichita, Ogden, and Dayton, and drafted a 12-month plan to attract suppliers and branch offices.

UNLV Department of Computer Science – Power Outage Risk Research *Mar 2026 – Nov 2026*

- Analyzed the geography of 525,000+ federal power outage records across U.S. states and regions, showing where serious, weather-driven outages cluster: the same location risk that shapes site selection.
- Traveled to Texas A&M University for IEEE SmartGridComm 2026 (Oct 25) and presented the paper and a research poster as first author.

COMMUNITY & CIVIC LEADERSHIP

UNLVolunteers, University of Nevada, Las Vegas *Aug 2020 – May 2023*
Health & Wellness / Civic Engagement Coordinator

- Organized campus voter registration drives for three years to raise student voter participation.
- Partnered with the Southern Nevada Health District on health screenings, education events, and a flu shot drive.
- Planned 14 events in coordination with government, campus, and community partners on goals, logistics, and follow-up.
